

## Sustainable Design: Ecology, Culture and Human Built Worlds

### 1MV076 | Spring 2022 Examination

The student is examined through written preparation for (2 credits) and active participation in seminars and workshops (1.5 credits), and through written documentation (3.5 credits) and oral presentation (0.5 credit) of a project. See full syllabus here:

<https://www.uu.se/en/admissions/master/selma/kursplan/?kpid=38852&lasar=16%2F17&yp=1>

#### Examination Overview

The examination is broken down into the following components. All requirements must be completed in order to pass the course. Further instructions on examination components will be distributed during the course. This course is graded (F,3,4,5). Whilst all examination components must be completed, the final course grade will be determined by the grade of the Individual paper.

- **Written preparation for (2 credits) and active participation in seminars and workshops (1.5 credits)**
- **Written documentation (3.5 credits) and oral presentation (0.5 credit) of a project.**
