The background of the image is a blurred photograph of a market stall. In the foreground, several bright yellow lemons are visible, some with green stems. Behind them, a green sign with a white starburst pattern is partially visible. The background is out of focus, showing more of the market stall and some indistinct shapes and colors.

Team Food Heroes

organises our markets every Friday. Part of the team is responsible for picking up food while others host the market. Come by, see what we are up to and help us save food!

Team Communication

spreads news about BFC and our markets, or tips on reducing food waste. By this, we also try to amplify news or initiatives from the wider world of food waste. Find us on Facebook and Instagram!

Team Education

organizes events, seminars or challenges on the problem of food waste and what one can do about it. We also love to participate in events related to food waste and food sovereignty!
